Thank you to all of the leaders from [Hilton Grand Vacations SeaWorld](#), [Marriott Vacations Worldwide](#), and [Westgate Resorts](#) who joined us for this special opportunity.

With more than 80 students in attendance, each had the opportunity to speak with Human Resources, Sales, and Events professionals about what it's like to work for a Vacation Ownership property and what future career paths might be available.

Also, thank you so much to our CFHLA member properties for donating gift certificates for this event, and congratulations to the student winners! We look forward to the rest of the meet and greets that will take place throughout the spring semester!

MEET THE VIP

Did You Know...At [GFL Environmental](#), we strive to provide our customers with constantly evolving, innovative, diverse trash services that help keep streets clean and safe. GFL launched the Full Circle Project (FCP) - an exciting community-driven charitable giving program that lets you, our customers, decide how a portion of our donations are directed. GFL allocates donations to charities within the seven classes based on the total percentage of customer votes received for each one. GFL selects high impact, registered local charities to receive donations, where at least 80 percent of the funds received go towards programming. When all funds have been allocated, GFL will report back to customers on where and how donations were made, including which charities received them - so you can see how your input is actively making a difference in your local community!
